

# Surety

The financial protection afforded by surety bonds provides a vital safety net to a wide range of commercial enterprises should, for example, a contractor default on their obligations. As one of Asia's leading providers of surety bonds and related services, our expert consultants are specialists in arranging bonds and guarantees across a number of sectors including construction, travel and Customs & Excise.

## Key Product and Specialist Areas

- Construction industry bonds
- Intervention board guarantees
- Property guarantees
- Travel bonds
